Dell Mutual is used primarily by and supports the leisure needs of 24 Stakes in North UT County, American Fork, Alpine, Cedar Hills, Highland and Pleasant Grove. During the prime camping season it is difficult for us to find room or time for outside groups to enjoy our facility. Priority use during the summer is given to the YW program for the Girls' Camp. I apologize, but at the moment you can not reserve anything to Mutual Dell using this site. The calendar does not reflect what is available. Please contact the Johnsonfamily directly for help. On November 15th of each year, after the 24 stakes and 246 of our bishops had the opportunity to reserve their seats, we open them to the General Church for Camp YW. All other external groups must wait up to 30 days before seeing what is available. Contact your fee managers. Mutual Dell is a beautiful camp located in American Fork Canyon. It was founded in 1920.
